Vaccinium atrococcum, forma leucococcum—A Correction.—Through a typographical error in Rhodora xxiv. 156, 1922, line 3, the word **leucococcum** was printed **leucoccum**. The new combination, being founded upon the earlier *Vaccinium corymbosum* var. *atrococcum* forma *leucococcum*, Rhodora iii. 264–265, 1901, must, of course, read **Vaccinium atrococcum** (Gray) Heller, forma **leucococcum.**—Walter Deane, Cambridge, Massachusetts.
